

Adding Activity Slides to a Presentation

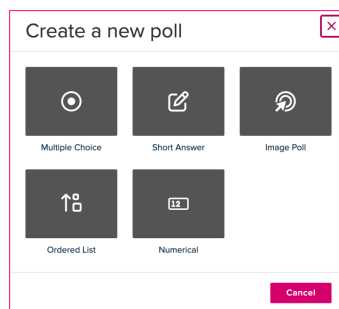

There are five types of interactive activities to choose from: multiple choice, short answer, image quiz, ordered list and numerical

Choose the presentation and activity

1. Navigate to the Library.
2. Select the presentation you wish to **edit**
NOTE: You can also do this from a Class by clicking on the  icon and select **Edit Presentation**.
3. Hover over the media to reveal the 3 dots on the RHS. Click to reveal a **drop-down menu**.
4. Click **Edit Media**
5. Your slides will appear

6. Click **ADD POLL** for the 5 polling types to appear

Questions

1. Select the question type icon to open the question template.
2. Enter the question, **up to 1000 characters can be added**.
3. Complete the questions as directed. NOTE: Media can be embedded into the multiple-choice question
4. If required, question-types other than short answer **can require justification** from the students so that they can elaborate on answers.
5. There is an optional **feedback tab** that provides learners with immediate feedback if the activities are being responded to asynchronously.
6. 'Preview' will show the learners' view of the activity.
7. Select **DONE**

Image Poll

1. Select **Choose Image** to upload the image you wish to use. A window will appear enabling you to choose your image from where it resides. **Mark Solution** allows you to select the part of the image indicating the correct answer.
